Swimming With Sharks Instructions

A game for 2-4 players. This is a blank version of the game that teachers can modify to suit the lessons being taught.

Each player throws one or two dice and, counting aloud in English, moves her counter or button.

When a player lands on a Red space, she must move back to the previous Red space or Start. If the player lands on a Net space, she can cross the net safely. If the player lands on the Shark's Nose space, she must go back to Start.

The first player to reach Safe wins the game.
