

The *Halloween Skeletons* in this file were created for early learners of English as a second language by Kinney Brothers Publishing © 2021. You can visit our website for more downloads at [kinneybrothers.com](http://kinneybrothers.com).

This file contains one set of *Halloween Skeleton* templates.

### Terms of Copyright and Use

All rights reserved world-wide. No part of these Templates may be reproduced, stored in a retrieval system, or transmitted, in any form or by any means, electronic, mechanical, photocopying, recording, or otherwise, without the prior written permission of Kinney Brothers Publishing, with the sole exception of printing or photocopying carried out under the conditions described below.

These Templates are subject to the condition that they shall not, by way of trade or otherwise, be lent, resold, hired out, or otherwise circulated without the publisher's prior consent in any form of binding or cover other than that in which they are downloaded and without a similar condition including this condition being imposed on the subsequent purchaser.

### Printing and Photocopying

The publisher grants permission for the printing and photocopying of the Templates according to the following conditions. Individuals downloading the Templates may make copies for their own use or for use by the classes they teach. Schools downloading may make copies for use by their staff and students, but this permission does not extend to additional schools or branches.

These cut-out **Halloween Skeletons** are simple enough for your younger students to make as a craft activity. They can be positioned in an endless variety of dancing configurations. In two sizes, they can also be used to create a bulletin board display, attached to Halloween bags, or strung together for a classroom banner or bunting. Attach letters to each character to display a Halloween greeting, or make simple sashes for student names! Enjoy!
