

# Phonics Series

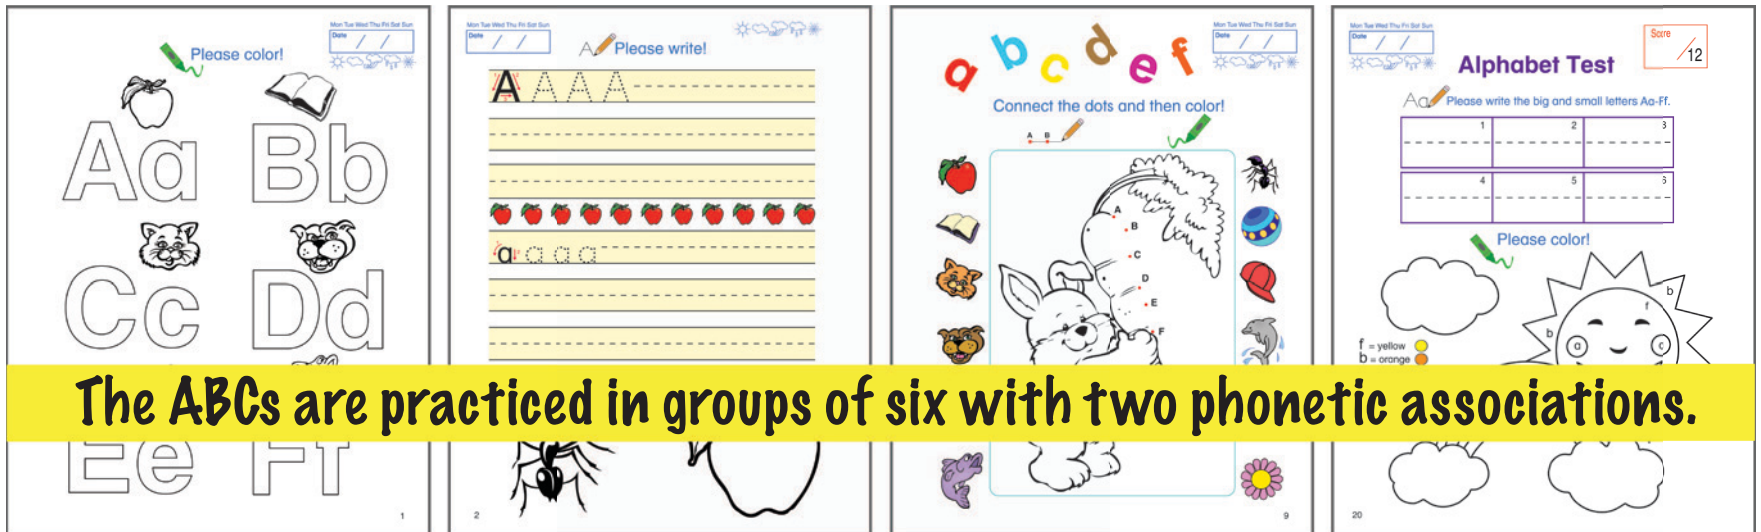

Reading begins with the ABCs! The focus of ABC and Phonics is to give ESL students a solid understanding of the ABCs and their associated phonemic sounds - step by step. Included are challenging exercises, puzzles, games, and review pages to ground students in phonetic-based language learning.

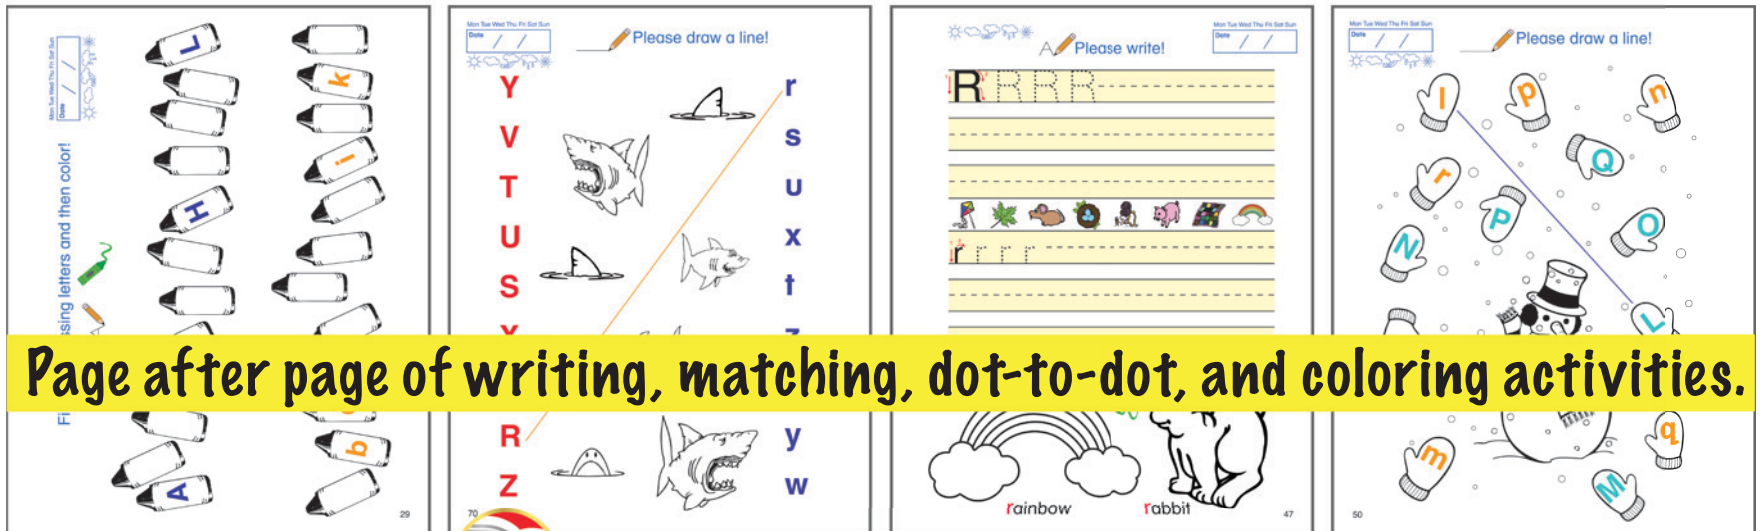

**These worksheets are also available in black and white!**

# What's Included

The ABCs are practiced in groups of six with two phonetic associations.

Page after page of writing, matching, dot-to-dot, and coloring activities.
